THE 1967

# MARLINTONIAN

Proudly Presented by  
The Senior Class of  
**MARLINTON HIGH SCHOOL**  
Marlinton, West Virginia

## FOREWORD

As the daily routine of high school life moves forward, each student conceives and strives toward his individual goals. He knows that the attainment of his major goals is made possible through the realization of his final objective, school life. Not only are scholarship, citizenship, leadership, and service emphasized, but development of character, personality and all the attributes that go to make up a well-balanced, productive member of society.

We, the seniors of 1967, sincerely hope that this yearbook will serve as a record of these many sides of school life; and that our goals will prove to be as important to others as they are to us.

"We dare not forget today that we are the heirs of that first Revolution. Let the word go forth from this time and place, to friend and foe alike, that the torch is passed to a new generation of Americans - born in this century, tempered by war, disciplined by a hard and bitter peace, proud of our ancient heritage - and unwilling to witness or permit the slow undoing of those human rights to which this nation has always been committed, and to which we are committed today at home and around the world."

- John Fitzgerald Kennedy  
Inaugural Address, 1961

## DEDICATION

We, the senior class of 1967, fondly dedicate this MARLINTONIAN to Mrs. Florence Bailey. In her we find a wise counselor and a sincere friend, as well as an accomplished teacher. We admire and appreciate her character, her knowledge, and most of all her human understanding. She has always been willing and even eager to give of her time and energy to make our years at Marlinton High School more profitable. As a senior class sponsor and school librarian, she has worked with untiring effort and enthusiasm to inspire us all to become better individuals.

# ADMINISTRATION

## COUNTY SUPERINTENDENT

Mr. Gray Cassell discussing work with State Auditor, Mr. Roy Hatfield.

## ASSISTANT SUPERINTENDENT

Mr. V. Arbogast

You seniors will be going out in a world that is full of unrest and hatreds. It will be difficult not to be infected with some of the social evils so rampant. Always remember the teachings and advice of your parents and teachers. By doing this, you will be able to avoid any pitfalls that may beset your path.

## ANNUAL STAFF

A football team?? Yes, a football team, for the Annual Staff is truly like a football team. Individual students, prompted by school spirit and the desire to do something worthwhile for "good ole M.H.S.", volunteer to work toward a common goal--not the winning of a game but the production of a fine yearbook.

First, the team has to get into shape and pick their leaders; Editor-Kenneth Nottingham; Co-Editor-Janice Kay Dunbrack; Business Manager-Kay Landis; Layout Manager-Ellen Schoolcraft, Assistant-Peggy McPaters; Senior-Layout Manager-Martha Jo Smith, Assistant-DeJores Frie; Underclassman Layout Manager-Lucille Barrett, Assistant-Judy Weatherholt; Features Manager-Steve Jackson, Assistant-John Waugh-not pictured; General Assistant-Clara Gurn-not pictured.

Each position is dependent upon the other. If one fails, then the others must work harder to accomplish the goal of meeting all deadlines without the penalty for "too much time." Many obstacles must be tackled, plays called back, and sometimes the cheering section sounds more like a criticizing section. But with the help of the faculty and advisors, they will be able to reach their goal and will receive the highest score.

Coach Friel

Each position is dependent upon the other. If one fails, then the must work harder to accomplish the goal of meeting all deadlines the penalty for "too much time." Many obstacles must be tackled, called back, and sometimes the cheering section sounds more like a icizing section. But with the help of the faculty and advisors, they able to reach their goal and will receive the highest score.

"To be or not to be?"

That's the question.
